ASPECT User Group

The ASPECT User Group meets every 2 weeks to discuss issues of interest to the community. The agenda is USER driven. Please add topics you wish to discuss below.

Please see ASPECT community forum for meeting schedule and links. community.geodynamics.org

User Meetings

ASPECT 2020 Virtual User Meeting Log: [aspect_2020_user_meeting_log.pdf](#) (122 KB, uploaded by Lorraine Hwang 2 years 1 month ago)

Running ASPECT

Running ASPECT on TACC XSEDE Stampede (2014): [aspect_stampede.pdf](#) (95 KB, uploaded by Lorraine Hwang 2 years 1 month ago)

Installation and Running ASPECT on Mac OS X 10.9 and 10.10 (2015): [aspect_yosemite_20150529.pdf](#) (4 MB, uploaded by Lorraine Hwang 2 years 1 month ago)

Webinars

Webinar: ASPECT Science Highlights, April 10, 2014. [YouTube](#)

Visualizations

Convection in a spherical shell, mimicking convection in the Earth mantle. [YouTube](#)

Convection in a box with heated bottom and cooled top. [YouTube](#)

Miscellaneous

Docker. See 2. Installation in the ASPECT Manual

Jupyter. Beta tutorial notebook can be found here: https://github.com/ljhwang/ASPECT-Jupyter
