Past Workshops

Past Workshops

2019 June 10-14. [Crustal Deformation Modeling Workshop](#), Golden, Colorado.

2018 June 18-24. PyLith Hackathon, Petaluma, CA.

2017 June 26-30. Crustal Deformation Modeling Tutorial and Workshop

2016 June 17-19. [PyLith Modeling Tutorial](#), UC Davis.

2015 August 24-25. [PyLith Modeling Tutorial](#), Virtual.

2014 June 23-27. [Crustal Deformation Modeling Workshop](#), Stanford University

2013 June 24-28. [Crustal Deformation Modeling Tutorial](#), Virtual.

2012 June 18-22. [Crustal Deformation Modeling Workshop](#), Golden, Colorado.

2011 June 20-24. [Crustal Deformation Modeling Tutorial](#), Virtual.

2011 May 17. [Pylith and GALE tutorials at Earthscope](#), Austin, Texas.

2010 June 14-18. [Crustal Deformation Modeling Workshop](#), Golden, Colorado.

2009 June 22-26. [Numerical Modeling of Crustal Deformation and Earthquake Faulting](#), Golden, Colorado.

2007 June 25-29. [Community Finite Element Models for Fault Systems and Tectonic Modeling](#), Golden, Colorado.

2006 June 26-30. [Community Finite Element Models for Fault Systems and Tectonic Modeling](#), Golden, Colorado.

2005 July 11-15./ [Community Finite Element Models for Fault Systems and Tectonic Modeling](#), Golden, Colorado.
